

Dear Sportsman:

The East Yellowstone Chapter Trout Unlimited is offering a 2012 Commissioner's Big Game Hunting license. The successful bidder will be guaranteed the right to purchase a Wyoming big game hunting license of his or her choice. This license was made available to our TU Chapter by one of the Wyoming Game and Fish Commissioners as a fundraiser for charitable conservation groups.

Trout Unlimited (a 501(c) 3 nonprofit) was issued this license by a Wyoming Game and Fish Commissioner to be used as a charitable fundraiser. The entire bid amount is 100% tax deductible. A letter declaring the tax deductible status will accompany the license application packet. Proceeds will be used for conservation programs to preserve, protect and enhance cold water fisheries in northwest Wyoming. This hunting license is good in any of the hunt areas in the State of Wyoming (except in Grand Teton and Yellowstone National Parks) for any of the 2012 seasons. The successful bidder must specify the season, area, and type of hunt at the time the license is issued; and purchase the license from the Wyoming Game and Fish Department for the normal fee.

Questions concerning this guaranteed elk license can be e-mailed to Webmaster1@EastYellowstoneTU.org or SecretaryEastYellowstoneTU@yahoo.com . A copy of the Wyoming Game and Fish issuance letter and the instruction sheet for the license recipient can be provided upon request to authenticate this offer.

Thank you,
Birney Holberg
Fundraising Chairman
East Yellowstone Chapter Trout Unlimited
Cody, WY 82414
